

NIAGARA WAREHOUSE *of* HOPE

46 Broadway Avenue, St. Catharines, ON L2M 1M4
Phone: (905) 646-7237 Fax: (905) 934-9161

Dear friend:

On behalf of the Niagara Warehouse of Hope, we are asking for your support in an urgent and meaningful project: building a new sewing room for our dedicated senior volunteers.

For many years, our sewing program has operated in a portable building that is now unsafe and beyond repair. The floor is rotting, the ceiling is deteriorating and the space is no longer suitable for those who faithfully gather twice each week to sew, mend, and create items that support our programs and help families in need.

As a volunteer-run charitable organization, every dollar we receive goes directly toward serving our global community. To continue this valuable program, we are seeking to raise \$175,000 to construct a safe, accessible, and permanent sewing facility.

This new space will provide:

- A safe and accessible workspace for our senior volunteers
- A clean, stable environment for sewing and crafting projects
- A permanent home for a program that benefits our international community
- The ability to continue producing handmade items for those in need

We invite you to partner with us through a personal donation, corporate gift or by sharing this opportunity with others. Every contribution brings us closer to providing a safe and dignified space for these dedicated volunteers.

To learn more or donate, please contact us at admin@nwoh.ca or send your donation to the address above, payable to Niagara Warehouse of Hope. You may also donate to Canada Helps – Niagara Warehouse of Hope Sewing Room Build. Tax receipts will be issued for eligible donations. Our CRA charitable organization # is 887140689RR0001. Please ensure that all donations are directed to “Sewing Room Build”. Any contribution over \$1,000 will be acknowledged on a plaque placed in the new sewing room.

Thank you for your consideration and support. Together, we can ensure this important program continues to serve our global community for years to come.

With sincere gratitude,

Niagara Warehouse of Hope
